

New Payment System

Plate Recognition

Licence Plate Recognition technology.

- No ticket is required
- When you drive in your licence plate number will be recorded
- Enter your licence plate number in the payment machine prior to exiting
- Drive to the exit and the boom gate will lift automatically. If the boom gate does not lift, please press intercom for assistance.
- Faster parking - easy access with fewer queues

Payment options

- Credit card, parking card and cash

See payment instructions on the back

Don't forget to download our mobile app to help your parking experience be a smoother one with CPP
